SUSTAINABILITY REPORT 2018

*Winning People's Hearts,
Mind and Soul Beyond Borders*

WHO WE ARE

YAYASAN SUKARELAWAN SISWA (YSS)
STUDENT VOLUNTEERS FOUNDATION
MALAYSIA

Yayasan Sukarelawan Siswa (YSS) / Student Volunteers Foundation is an international effort organisation, wholly owned by the Ministry of Education, Malaysia and was established in 2012 with the aim to inculcate the spirit of volunteerism and camaraderie among students of tertiary education and to produce global student volunteer icons. With the tagline “Winning People’s Hearts, Mind and Soul Beyond Borders”, YSS is committed in training student volunteers through high impactful students volunteer missions domestically and internationally. YSS trains student volunteers through its YSS-ASEAN Students Volunteer Missions (Misi Sukarelawan Siswa YSS-ASEAN) and #VolunteerWeekend which are initiated by YSS Alumni. YSS Alumni are the student volunteers who have participated in previous missions.

CONCEPT & IDEA

The concept of showcasing the flags of ASEAN Member States on the front cover aims to highlight 2018 as the year YSS was being endorsed as the Implementing Agency for the ASEAN Cooperation Project. This was successfully implemented through the Project Phase 1: YSS-ASEAN+China Students Volunteer Mission to Sarawak, Malaysia 2018 and followed by Phase 2: YSS Volunteer Leadership Development Programme (VLDP) & Alumni Strategic Retreat (ASR) 2018.

YSS OBJECTIVES

- ① To help the world community that needs assistance and volunteer services
- ② To promote mutual understanding between mankind on universal peace
- ③ To accomplish a sense of care and concern among students for the well-being of the world community
- ④ To put forward Malaysian students as volunteer icons onto the world stage
- ⑤ To build international relationships and networking in volunteerism
- ⑥ To promote Malaysia as an educational hub which produces global volunteers
- ⑦ To create understanding of Malaysia socio-cultural context towards world peace

"TOWARDS AN OPEN AND ADAPTIVE ASEAN"

DATO ZURAIDAH ATAN
CHAIRMAN
YAYASAN SUKARELAWAN SISWA (YSS)
"...we don't do programmes
for the sake of doing
programmes, that's not YSS.
We build volunteer leaders."

With the theme "Towards an Open and Adaptive ASEAN", YSS Alumni regrouped to align with the ASEAN Community by collectively discussing the strategic direction and planning pipeline by identifying their status, challenges, and way forward into becoming Global ASEAN Young Leaders in all fields.

During the volunteer missions, YSS Alumni had undergone experiential learning where they developed and acquired valuable skills such as teamwork, leadership, project planning, time management, soft skills and adaptability skills.

This programme helps to empower YSS Alumni into taking steps to initiate more volunteer projects within ASEAN and abroad, enhance people-to-people exchange and strengthen the strategic linkages under the ASEAN Socio-Cultural Community Pillar.

The VLDP & ASR 2018 is an important platform and forum to reinforce the knowledge and deeper comprehension of the ASEAN and United Nations Sustainable Development Goals (UN SDGs). It is also crucial for YSS-ASEAN + China Alumni as Students Volunteer Leaders to be equipped with the knowledge of Disaster Risk Reduction and Response, considering the recent disasters affecting ASEAN.

For the Alumni Strategic Retreat (ASR), there were three sessions designed to provide the opportunities for YSS-ASEAN + China Alumni to speak up and voice out their thoughts on the role of ASEAN, Global Volunteer Leadership and sharing sessions.
