YSS VOLUNTEER LEADERSHIP DEVELOPMENT PROGRAMME (VLDP) & ALUMNI STRATEGIC RETREAT (ASR)

3 - 7 DECEMBER 2019

"of a Cooler Habitable Earth for All"

VLDP
VOLUNTEER LEADERSHIP
DEVELOPMENT PROGRAMME

11 COUNTRIES

200 YSS ALUMNI
(VOLUNTEERS)

With overwhelming environmental issues and worrying climate change affecting the ecosystem and biodiversity, YSS chose the theme "of a Cooler Habitable Earth for All" which signifies the climate change issue is universal and every country in the world is affected. It is an alarm to mankind to act to save the Earth. Looking forward, we hope YSS ASEAN + China Student Volunteers are inspired and utilised their takeaways from VLDP & ASR 2019 to start their initiative in their respective countries.

During the volunteer missions, YSS Alumni had undergone experiential learning where they developed and acquired valuable skills such as teamwork, leadership, project planning, time management, soft skills and adoptability skills.

VLDP & ASR 2019 is a continuation initiative and set as 2nd phase of the ASEAN Cooperation Project. The YSS ASEAN + China Student Volunteers undergo experiential learning on the chosen topic. It is set as lifelong learning training for our student volunteers to equip them with the right knowledge and giving exposure on issues related to the topic.

The VLDP & ASR 2019 is an important platform and forum to reinforce the knowledge and deeper comprehension of the ASEAN and United Nations Sustainable Development Goals (UN SDGs). It is also crucial for YSS-ASEAN + China Alumni as Students Volunteer Leaders to be equipped with the knowledge of Climate Change, considering the recent disaster affecting our world today.

For the Alumni Strategic Retreat (ASR), YSS come out with the idea for YSS Strategy House Colloquium. It has been done annually to collect feedback from YSS-ASEAN + China Student Volunteers. It was designed to provide a channel for YSS Alumni to voice their input and recommendations for YSS to improve for the future.
